

Talon Rackmount Kit 4K Encoders | Decoders

The Talon Rackmount Kit fits up to three single channel Talon 4K Encoders or Decoders in a compact 1U configuration. Active cooling modules ensure reliable operation. No additional power supplies are required, the Encoder/Decoder power supply will power the cooling module and the Encoder/Decoder simultaneous with a loop through configuration.

Mechanical:

Size 14d x 19w x 1.75h (1U)

Weight 4.5lb *

Electrical:

Power Consumption 3.5W *

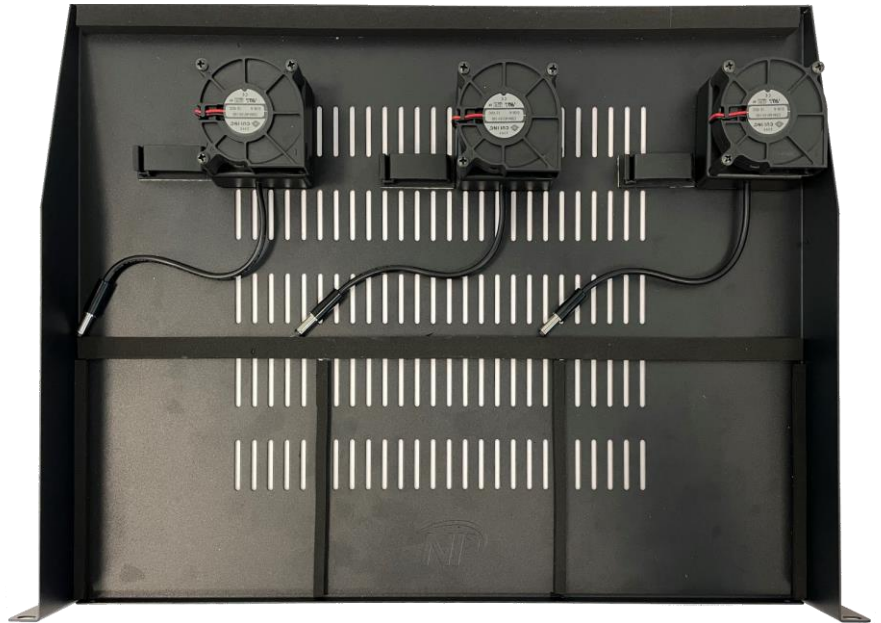

Compatibility:

Talon 4K-SC Encoder

Talon UHD-SC Encoder

Talon 4K-SCD Decoder

Talon UHD-SCD Decoder

SKU: 96-02505

* Encoders/Decoders not included
